Community Officiating General Principles

Touch Football Australia (TFA) is committed to providing best practice in Australia in Sport Education. As such TFA has in place a Sport Education Framework (Framework), a copy of this framework can be found [here](#).

Sport Australia has developed the Community Officiating General Principles (COGP) online course to assist officials in learning the basic skills they will need to officiate effectively. The COGP course is a prerequisite for the Level 1 TFA Referee course as outlined in the Framework and takes 2-4 hours to complete.

The COGP course is available free of charge to Australian Officials, and can be accessed through the Sport Australia learning portal which can be accessed [here](#). If you don't already have an account, you will be required to create a login. Upon completion of the course you will receive access to your certificate.

Once you have received your certificate please click on the 'Take Assessment' button to upload a copy.
